

ICUP EXPRESSION OF INTEREST 2024

Dear school communities

The Together for Humanity Intercultural Understanding Partnership (ICUP) grants program 2024 provides up to \$10,000 in funding for school communities to address a intercultural challenge, working in partnership with Together for Humanity staff. Schools will receive time with and expertise from our Education team in addition to the financial resources to allow your staff the time to meet, plan and execute your project.

Please read the information on the [website](#) and the [frequently asked questions](#) before completing this application.

If your project involves several schools, you only need to do a single application

The process and estimated timeframes for determining grant recipients is indicated below:

- **22nd May 2023:** due date for Expressions of Interest to be received
- **mid-June 2023:** announcement of shortlisted schools/projects
- **July-August 2023:** interviews with shortlisted schools/projects
- **September 2023:** announcement of ICUP 2024 grant recipients

PROJECT APPLICATION

Describe the intercultural challenge that is causing a concern or need within your school community. Include how this challenge is impacting students, teachers, families or the wider community.

Outline any steps you have taken to try and address this challenge.

Outline the demographic attributes of your school community.

Explain how the partnership (including the grant) would enable you to address the challenge and transform school culture. Include here a brief description of your proposed project idea/s that you would like to work towards in this grant & partnership

Outline any specific people or organisations, within the school or in the community, you envisage will have, or plan to have, involvement in this project.

How did you find out about this opportunity?

Once completed please email to ICUP@togetherforhumanity.org.au
